

Fairlands Middle School

We Collaborate, Achieve & Belong

28 February 2024

Dear Parent/Carer

We are currently exploring options with regards igniting the Friends and Parent Teacher Association (FPTA).

The role of the FPTA in a school is to enhance, enrich and improve learning experiences for all the children. It is an opportunity for parents and the community to become more positively engaged in the children's education. There is also a social aspect to the PTA: parents are able to get together, meet parents of children in different Year groups and work alongside each other while raising money for the school and supporting its aims.

The Fairlands FPTA has been dormant for a number of years. We would like to invite parents/carers to work with us to enable the FPTA to become active again, successfully raising much needed funds for the school. We would be grateful if you could consider volunteering your time and skills to help invigorate a group of this nature.

On **26 March 2024 at 7pm**, we will be holding our AGM with the intent of electing a Chair, Secretary and Treasurer. Outside of these core roles, we will also need to ensure we have the numbers to successfully run events with support from the school.

To ascertain interest, could you please complete a form via the link below. This will take only take a few moments of your time.
