Dear Parents/Carers

Ref: KS2 SATs Fractions Evening – Tuesday 5 March 2024

Following the recent SATs support evening and positive feedback from parents/carers, we are holding an evening to look at fractions and other queries regarding the SATs process on **Tuesday 5 March 2024, 7pm - 8pm.**

The aim of the evening will be to:

- Provide practical support on how you can help and support the children to prepare for their maths assessment with a focus on **fractions.**
- Answer any queries you may have.

We would encourage all parents/carers to attend this session, as it will provide an interactive opportunity to support the children prepare for their tests.

We hope you will find the evening useful and informative and look forward to welcoming you. Could you please confirm you are able to attend via the link below:
