

# Fairlands Middle School

We Collaborate, Achieve & Belong

10 January 2025

Dear Parents/Carers

**Ref: SATs support evening – Wednesday 22 January 2025**

In previous years, parents have found it useful to attend a KS2 Curriculum Test evening, to see how they can best prepare their child for the national curriculum tests, which will take place in May. We intend holding the first of our support evenings on Tuesday 22<sup>nd</sup> January, 6-7pm.

The aim of the evening will be to:

- Give you an overview the national curriculum assessment.
- Show you how we are supporting your learners in school.
- Provide effective practical support on how you can support at home.
- Answer any queries you may have

We would encourage all parents/carers to attend this meeting, as this will provide an interactive opportunity on how to support children preparing for their tests.

We hope you will find the 'SATs support' evening useful and informative and look forward to welcoming you. Could you please confirm you are able to attend via the link below:
